OFFICIAL NOTE

- on possible links between Đuro TINTOR and Dragoslav KRSMANOVIĆ

On 10 December 1999, Dragoslav KRSMANOVIĆ left his office at 1600 hours, only to return at 1605 hours, when he stopped at the entrance gate and asked Zoran BABIĆ, a Security Service member, if he knew where that “fat pig Stevo” (meaning Stevo VUČETIĆ, a worker in the depot) lived. BABIĆ said he did not know the exact address, but that it was somewhere along the road to Lipar. KRSMANOVIĆ then asked where Mikica (Milorad MIKLUŠEV, also a depot worker like VUČETIĆ) lived. BABIĆ said he did not know. KRSMANOVIĆ left the Centre at 1610 hours.

Several hours later, more precisely, at 2030 hours, Đuro TINTOR was playing a gambling machine at the *Tina* café in Maršala Tita Street in Kula. Zoran BABIĆ was also in the café so TINTOR asked him, “Where is your boss Krsman?” BABIĆ replied he had no idea, but TINTOR said, “What do you mean you have no idea? I’ve just had dinner with him at Petrovaradin.”

I wish to point out that TINTOR is a notorious swindler and liar. There are two possible reasons why he brags that he is strong and on good terms with people from the DB /State Security/: first, he is deliberately talking about his good relations with the DB so as to rise in the eyes of others and make shady deals (because nothing

can happen to him, he has protection) as well as to increase his popularity among women...; second, he is really cooperating with the DB (KRSMANOVIĆ, RADIĆ and MIKLUŠEV) and is talking to everyone that he is on good terms with them because he feels untouchable.

OFFICIAL NOTE

- on stories that can be heard in taverns

Duka TINTOR, an inhabitant of the town of Kula, who happens to be the owner of the *Inako* firm, tells people that he works in State Security, that he drives officers from *Stolac* (this is what the people call the *Radoslav Kostić* Centre), and obtains parts for them from Bosnia. These stories were heard by a member of security, Petar MATIJAŠ, at the *Tina* café and the *Šumadija* tavern (former name of the tavern).

The owner of the *Tina* café, Dragica, who happens to be having a love affair with TINTOR, says that no one can do her harm because she is on good terms with Duka (TINTOR).

TINTOR was seen having lunch at the *Braća Mandić* restaurant in the company of Dragoslav KRSMANOVIĆ. TINTOR claims to also know Mikica (MIKLUŠEV) and to be on very good terms with him.

We kept quartermaster's equipment, some food, cigarettes, some automobile parts and some other MTS /materiel and technical equipment/ in the depot of the *Inako* firm during the NATO air-strikes.

During a visit to the chief of the police station in Kula, Ćira LUKIĆ, I happened to mention that the Financial Police had gone to inspect TINTOR's *Inako*, and that they had found a certain quantity of cigarettes there that TINTOR said were from the DB /State Security/. At the time I did not give any significance to this,

because there was illogical that we would be keeping our cigarettes at TINTOR's place.

Anyhow, in the town of Kula TINTOR is viewed as a swindler, a corrupt and mean chap, and lately he has been reselling oil derivatives.

- on Duro TINTOR

Duro TINTOR, aka Đuka, who used to present himself as the owner of the *INAKO* Construction, Business Services and Trade Enterprise, is not its real owner, but is only employed there. I do not know what his position in the company is.

The head office of *INAKO* used to be in Lenjinova street no. 17 in Kula, and now it is in the same street at no. 5, in the so-called Business Centre. The company's warehouse is in Ive Lole Ribara street no. 27, also in Kula. The company's telephone numbers are: 025 722-602, 025 722-215 and the fax is 025 722622.

TINTOR used to be employed earlier in *Kulatrans* as a dispatcher for the vehicle fleet. After that he started working for the *Braća Mandić* company, where he worked as a sales representative. He was mostly in charge of “shady dealings” relating to coffee, cigarettes and oil derivatives.

Due to malversations with coffee he was apprehended by the police in 1994 or 1995, most probably in Bačka Palanka, since smuggling with Eastern Slavonia and Western Srem was in full blossom at the time and the *Braća Mandić* company was very present there.

He has two contacts in the Customs Office in Sombor: Milanko IVANOVIĆ (an elderly, grizzled man, who has been in Customs for years), who is a Customs Auditor, and Ljubica, who used to work in the Customs Office in Beli Manastir.

TINTOR is a native of Western Bosnia, from where the MANDIĆs originate.

- on a visit by Mihajlo FRANETA for an interview regarding employment in the JSO

At 0825 hours on 19 October 1999, Milan POPOVIĆ from Kula, Bratstva i Jedinstva street no. 22, came to the gate and brought Mihajlo FRANETA from Crvenka, Obilićeva street no. 6, for the purpose of employment. According to their statement, they had an appointment with the Chief of the Centre /redacted/ on the recommendation of Momo PETROVIĆ from Belgrade. POPOVIĆ said that Momo PETROVIĆ was a friend of his and that he had visited him at Kula recently.

Mihajlo FRANETA came to see whether he could work for us. Since he lives near me and I have known him before, /I know/ that he is violent, has a criminal record and has friends who are prone to criminal behaviour.

While I was working at the police station in Crvenka, he was apprehended several times for questioning about crimes (theft). Security detail member Milan GAK was present on this occasion.

- on Dragoslav KRSMANOVIĆ, Chief of the *Radoslav Kostić* JSO Centre in Kula

During a casual conversation we had on 14 October 1999 with the Chief of the JSO Centre in Kula, Dragoslav KRSMANOVIĆ, we obtained some more detailed information on KRSMANOVIĆ's family situation.

On that occasion KRSMANOVIĆ told us that his mother Dostana is bed-ridden and seriously ill and that she is expected to die any moment. KRSMANOVIĆ's father Arandel died of a heart attack, and in the village of Vojković (Novi Pazar region) where he lived he was one of the wealthiest men. He manage to build a 300 m<sup>2</sup> house in Novi Pazar while he was still alive.

KRSMANOVIĆ also had a sister who died when she was 23 year old. Her son, who was less than a year old when his mother died, is now a student at Belgrade University, and due to his poverty, KRSMANOVIĆ gives him monthly financial support.

Regarding his student days, KRSMANOVIĆ said that he studied at the Faculty of Law in Kragujevac and that during that period he mostly lived as a subtenant. Since the Faculty of Law in Kragujevac is split into sub-degrees, he abandoned his studies after completing the second year and has thus acquired a two-year post-secondary education.

KRSMANOVIĆ also said that his wife Milena, who is employed at the Federal Customs Administration, is currently at some customs course in Belgrade that is planned to last about a month.

- on office furniture taken away from the *Radoslav Kostić* Centre in Kula by Centre employee Đura MILJEVIĆ

While monitoring the activities of employees of the *Radoslav Kostić* Centre in Kula, we have found out that Đura MILJEVIĆ, who is employed on maintenance duties, took a large amount of furniture from the Centre to his new apartment, which is located in Partizanska street no. 13, F/3, in Kula. This includes two tables, two two-piece cabinets, two armchairs and one three seater sofa. Đura put most of the furniture in his living room, and he put the three seater sofa and one table on the terrace.

We do not know whether Đura consulted any of his superiors before taking the furniture from the Centre, but we do know that the Chief of the Centre in Kula, Dragoslav KRSMANOVIĆ, is familiar with the fact that the above-mentioned property of the JSO is located in Đura's private apartment. During the past week Dragoslav visited Đura on the occasion of the MILJEVIĆ family moving into the new apartment and he must have seen all of the furniture that had been taken away.

Belgrade, 12 December 2000

Pursuant to Article 192, paragraph 1 of the Law on Administrative Procedure (*Official Gazette of the FRY* /Federal Republic of Yugoslavia/ no. 33/97), Article 112 of the Law on Air Traffic (*Official Gazette of the FRY* no. 12/98, 44/99) and Article 20 of the Rules on Training, Examinations and Permits for Aircraft Crew Members (*Official Gazette of the SFRY* /Socialist Federative Republic of Yugoslavia/ no. 2/80, 31/80, 53/80, 43/81 and 10/85, and *Official Gazette of the FRY* no. 12/93, 46/93, 74/93, 55/94 and 77/94), and further to a request by Mladen DŽID of 7 December 2000, I hereby adopt this

**DECISION**

**denying a request for extension of the validity of a (recreational) helicopter  
pilot's licence**

1. By this decision, the request by Mladen DŽID of Rakovac, Beočinski Put bb /no number/, holder of (recreational) helicopter pilot's licence no. 67/13262, for extension of the validity of this licence, is denied.

2. This decision is final in the administrative procedure.

### Statement of Reasons

The above-named person submitted to the Federal Ministry of Transportation a request for extension of the validity of recreational helicopter pilot's licence no. 67/13262, valid until 7 December 2000. The request was registered at the Ministry on 7 December 2000 as number 5/2-01-6/2154. Examination of the submitted documentation established that the above-named person had flown for a total of 11 hours since the last extension of the licence. In view of the fact that Article 20 of the Rules on Training, Examinations and Permits for Aircraft Crew Members (*Official Gazette of the SFRY* no. 2/80, ...) prescribes, *inter alia*, that a holder of this licence, at the time of extending it, must have at least 20 hours of flight (at least 10 hours in each of the two 12-month periods for which the licence is valid), it follows that the above-named person does not meet all of the necessary conditions for extending the validity of this licence, and so it has been decided as in the disposition.

**LEGAL REMEDY:** An administrative dispute against this decision may be initiated by filing an action with the Federal Court, within 30 days of the sending of this decision.

The request was registered at the Ministry on 7 December 2000 as number 5/2-01-6/2154. Examination of the submitted documentation established that the above-named person had flown for a total of 11 hours since the last extension of the licence. In view of the fact that Article 20 of the Rules on Training, Examinations and Permits for Aircraft Crew Members (*Official Gazette of the SFRY* no. 2/80, ...) prescribes, *inter alia*, that a holder of this licence, at the time of extending it, must have at least 20 hours of flight (at least 10 hours in each of the two 12-month periods for which the licence is valid), it follows that the above-named person does not meet all of the necessary conditions for extending the validity of this licence, and so it has been decided as in the disposition.

**LEGAL REMEDY:** An administrative dispute against this decision may be initiated by filing an action with the Federal Court, within 30 days of the sending of this decision.

OFFICIAL NOTE

- on contacts between the JSO Assistant Commander, Dragoslav KRSMANOVIĆ,  
and Bratimir RADENOVIĆ aka Braco, Director of the *Smaril* company from  
Belgrade

We have found out through a totally reliable source that the JSO Assistant  
Commander, Dragoslav KRSMANOVIĆ, delivered two sacks with some kind of  
uniforms to Bratimir RADENOVIĆ through Obrad ZDRAVKOVIĆ, an employee of  
the oATDP /expansion unknown/ of the JSO, at the end of October 1998.

The source also knows that KRSMANOVIĆ was in telephone contact with Bratimir  
on 5 November 1999. During the conversation Bratimir asked KRSMANOVIĆ for  
some data, while KRSMANOVIĆ informed him that “the boy would bring “this”  
upstairs”. KRSMANOVIĆ also asked “how *kum* /close family friend/ was doing”, and  
Bratimir answered that *kum* was fine.

According to the source, on that occasion KRSMANOVIĆ called Bratimir on number  
011/433-100. A check of records of phone subscribers revealed that this number  
belongs to a certain Ivanka MARTINOVIĆ, Graničarska street no. 8, Krunski Venac,  
Belgrade.

We also found out through the same source that KRSMANOVIĆ delivered another  
bag, the contents of which are unknown to the source, to Bratimir through Veljko

GARIĆ, an employee of the oATDP /expansion unknown/ of the JSO, on 25 February 1999. According to the source, KRSMANOVIĆ said the following to GARIĆ on that occasion: "That bag and that thing that is at your place there, that arrived a few days ago, should be taken to Braco." During the same conversation, GARIĆ also mentioned that "the thing" which he has to take is "wrapped in paper and is in his office, where the coat hanger is."

**REMARK:**

- Branimir RADENOVIĆ, son of Miljenko and Dušanka, nee JAŠOVIĆ, born 28 October 1955 in Skoplje, Macedonia, ethnicity Montenegrin, electrical engineer by occupation, residing in Milana Jovanovića street 12 in Belgrade, owner of the *Smaril* company, which is registered at Gračanička no. 8 in Belgrade.

- A check on the ground has shown that in addition to the MARTINOVIĆ-LAZOVIĆ apartment there is also an advertising board of the *Smaril* company at Graničarska street no. 8 at Krunski Venac in Belgrade.

We found out in the OE /operative records/ of the Belgrade CRDB /State Security Department Centre/ that Branimir RADENOVIĆ is registered under number PK-08 845. RADENOVIĆ was interviewed on 14 October 1994 about the circumstances of his stay and contacts in Moscow in the period between 1 February 1991 and 1 April 1994 as a representative of the *Univerzal* company. On that occasion, RADENOVIĆ said that during this period he was involved in procuring spare parts and equipment for VJ /Yugoslav Army/ needs. Data on him also exists in file number 71-1-23995, /for/ Pančo PETKOV, a person who was subject of PO /?preliminary processing/ for BOS /expansion unknown/. During 1982, RADENOVIĆ, as a representative of the *Universal* company from Belgrade, established a business contact with PETKOV. RADENOVIĆ is also registered in file no. 71-3-A0007, in the Register of Foreign Representative Offices in Belgrade, where he explained during an interview conducted with him on 21 February 1990 the presence of the US company Motorola on the national market.

RADENović is not registered in the KE /criminal records/ of the SUP /Secretariat of the Interior/ in Belgrade.

OFFICIAL NOTE

- on contacts between JSO Assistant Commander Dragoslav KRSMANOVIĆ and a certain Stevica, an employee of the Federal Customs Administration

During a visit to the *Radoslav Kostić* JSO Centre in Kula, in the course of a casual conversation with the JSO Deputy Commander, Dragoslav KRSMANOVIĆ, I found out that Dragoslav has frequent contacts with a certain Stevica, an employee of the Federal Customs Administration.

According to KRSMANOVIĆ, during the past several years, Stevica has been one of the main suppliers of Customs goods to the unit. Stevica also signed many bills incurred by the unit and paid, according to Stevica, by the Federal Customs Administration.

OFFICIAL NOTE

- on Dragoslav KRSMANOVIĆ

Unit members originating from the Krajina have a very bad opinion of the JSO deputy Commander, Dragoslav KRSMANOVIĆ. The main reason for their opinion is a statement by KRSMANOVIĆ when he allegedly said that he would “leave the unit if Krajina men joined its regular force”. Judging by the story circulating in the unit, Dragoslav said this during the period just before the first course for non-commissioned officers in 1996.

**EXCERPT**

**On 20 March 1998, Stevo RADIŠEVIĆ, son of Mihajlo,** gave a statement pursuant to the ZKP /Law on Criminal Procedure/ for stealing official plates and the vehicle registration papers of a an official vehicle, and for using official fuel for personal needs, and among other things he stated the following:

“On several occasions in 1996 and 1997 I brought my private Mercedes vehicle within the perimeter of the R.K. /?Radoslav Kostić/ Centre in Kula and poured official fuel in it. I did this with the consent of Dragiša RADIĆ, head of the vehicle fleet. JSO Deputy Commander, Lieutenant Colonel Dragoslav KRSMANOVIC, also knows about this.”

Operative M. BRACANOVIC recorded the statement.

STEVO RADIŠEVIĆ

- In the period from 17 October to 22 October 1997, he often had contact with Jovica from the *Gemaks* construction company with the aim of arranging workers from this company to work on building his house.
- A large amount of foreign currency was seen in Stevo's office (around 20,000 DM), allegedly intended for paying the workers building his house.
- RADIŠEVIĆ has been paying rent for an apartment for his family in Belgrade since 1 November 1997 and in Kula where he intends to move his family.
- On 13 November and 14 November 1997 he allowed BUGARSKI and Miroslav the electrician to go on leave to do some work at BUGARSKI's place, on a building allegedly made of *Salonit* boards taken from the Centre.
- On 15 November 1997, RADIŠEVIĆ took a group of five workers from the *Panda* youth organisation to Novi Sad with his truck. They transported building material, boards and planks from a privately owned house in Veternik to KRSMANOVIĆ's weekend cottage in Kamenica (Mikica also brought a pig roasted in the Centre to his weekend cottage that day).
- On 22 November 1997, cleaners from the Centre helped RADIŠEVIĆ prepare his apartment in Kula (M. Tita street 342), and workers from *Panda* moved things in. Stevo registered the workers and their time /as/ spent in the Centre at work.
- Major S. JOVANOVIĆ portrays Stevo as KRSMANOVIĆ's spy and says that the officers' club and Stevo's private house were being built at the same time. Stevo obtained things for the club.
- On 18 December 1997, Stevo drove his yellow Mercedes vehicle, plate no. BG 946-606. The plates belong to a MUP official vehicle, not this Mercedes. Stevo also owns a truck, plate no. BG 355-852.
- He tried to obstruct the work of the inventory commission during its visit to the Kula Centre.
- After MTS /materiel and technical equipment/ in the depots of the Kula Centre was inventoried, Rade VULIĆ presented a list of items belonging to Stevo and KRSMANOVIĆ and they were recorded subsequently in the official inventory lists.
- RADIŠEVIĆ ensured the employment of Violeta PETROVIĆ, whose father and husband helped Stevo during the construction of his house in Kula.

OFFICIAL NOTE

- on the activities of 2<sup>nd</sup> Lieutenant RADIŠEVIĆ

Over the last several days, it has been observed that *Beta-Inženjering* (B-I) workers have been leaving the Centre every morning and going to work on 2<sup>nd</sup> Lieutenant RADIŠEVIĆ's house.

I have found out from Security Service members that they are led by manager Jovica DUNIĆ. It has also been observed that construction material has been taken away occasionally under the pretext of it no longer being needed there, so they were moving it elsewhere. Orange sewage pipes as well as tees and elbows for combining and splitting were taken away in February, and this is also assumed to have ended at Radišević's place. Our worker Zoran DRAŽIĆ, who carried out installation work (water supply and sewage) in the house of his boss RADIŠEVIĆ during working hours should know more about this and other activities.

I have also found out that he entered the Centre with his truck, plate no. BG 355-852, and Mercedes, plate no. BG 946-606, and poured fuel. During the time when he was security commander he took away about ten sacks of cement with his truck.

At 1230 hours on 19 March 1998, vehicle B-I TAM, plate no. BG 392-034, left the perimeter of the Centre, taking three workers to RADIŠEVIĆ's house. Three concrete elements (concrete pipes for a crossing) were taken away in the vehicle under the pretext that they were no longer needed at the Centre and that they were taking them to another construction site.

Petar KOVAČEVIĆ, refugee ID card no. J024605339, who lives in Belgrade at Kondina street 3 is the TAM driver.

- on the activities of JSO Deputy Commander Dragoslav KRSMANOVIC

We have found out through a totally reliable source that on 19 May this year JSO Deputy Commander Dragoslav KRSMANOVIC got in touch with a certain Micke, who is using telephone 021/317-081 (owned by *CRAFT TRADE VOJKA*, Pančevačka street 40, Novi Sad – note by operative).

Due to the particularity of the established contact, the source conveyed the conversation in full:

K: Listen, I've spoken with that man... NO!

Micke: No? And when can it be?

K: We'll be in touch. I'm supposed to see him today.

Micke: Uh-huh.

K: He couldn't /tell/ me by phone ...

Micke: It's all clear to me. Just let me know when you see him. I would need that on Thursday, Friday.

K: Alright, alright.

Micke: So you know how, but you and I should see each other concerning some other things. You and I should have a chat about something ... so I can tell you what is happening. Maybe it's relevant. And so I figured out something. I'd like you to know it and then you'll cut through it.

K: Alright, alright, uh-huh ...

Micke: Something is going on there. It's nothing dangerous, but ... there are some stories.

K: Alright, good.

Micke: So today when you finish with him, just call. I need ten minutes to explain it to you. You'll know what it's about and you'll tell me. It's really the way it looks. Maybe you'll figure it out and connect the dots, or you'll say, that's got nothing to do with it and that'll be the end of it. You understand?

K: Uh-huh, alright.

Micke: It's nothing dangerous, like, I don't know, something brewing out there for us.

K: What? Did someone get into the scheme? (he repeats the question – note by operative).

Micke: I think they are messing around, you know. So I'll explain to you what it is ... I'd rather not bullshit on the phone. We need ten minutes, Krsman, if not – maybe I got it wrong, but I don't think I did.

K: Alright. I'll probably see him in the evening, but I'll let you know.

Micke: When you finish with him, before or after, when you find some time ... I'm mostly at home, and if I'm not, they'll find me in five minutes. You and I'll see each other for ten minutes.

K: Alright.

Micke: Give my regards to the crew there.

K: Bye.

SUBJECT: REQUEST FOR TRANSFER TO THE POST OF DEPUTY  
COMMANDER AT THE BEOČIN SM /POLICE STATION/

I was born on 08 September 1958 in the village of Vojković, Novi Pazar municipality, son of Arandel and mother Dostana KRSMANOVIĆ, née MARINKOVIĆ. I finished primary school in my hometown, and secondary school in Novi Pazar. I continued my education at the School of Law in Kragujevac, where I completed the first level, and am now finishing the third year of studies.

I have been working at the post of platoon commander at the *Pane Đukić* SŠUP /Secondary School of Internal Affairs/ since 17 March 1986, but since there is a vacancy for the post of Deputy Commander at the Beočin SM, I am submitting this request for transfer to this post.

Since I have had an interview with the Chief of G-SUP Police Administration, I believe that, with the help of the officer/?s/ at the Beočin SM and with my personal training, I will successfully meet the job requirements of this post.
